OUR PRODUCT PORTFOLIO

Linsys offers a comprehensive suite of enterprise-grade products spanning networking, security, surveillance, AI, and cloud services - all designed, deployed, and supported by our team.

Virtual Internet

Bond multiple ISP connections into one virtual high-speed link with aggregated bandwidth and zero-downtime failover.

- Multi-ISP bonding
- Sub-second failover
- Session persistence

Cloud-IP Multi-ISP Routing

Intelligent routing across multiple ISPs with automatic failover and policy-based traffic management.

- 4+ ISP support
- Real-time analytics
- Load balancing

SD-WAN Solutions

Application-aware SD-WAN with Zero Trust integration for multi-branch enterprise connectivity.

- App-aware routing
- Centralized management
- 40% cost savings vs MPLS

WiFi AP Controller

Centralized access point management with branded WiFi Authentication Gateway and guest access.

- 100+ AP management
- OTP / voucher login
- Bandwidth & VLAN control

Zero Trust Security (ZTNA)

Comprehensive ZTNA framework - identity verification, micro-segmentation, and continuous monitoring.

- MFA integration
- Device posture checks
- Policy engine

Docext - Document AI

AI-powered intelligent document extraction for invoices, IDs, receipts, contracts with 99%+ accuracy.

- OCR + NLP engine
- Tally/SAP/Excel export
- REST API access

Web Application Firewall

Linsys WAF protects web apps and APIs from OWASP Top 10, bots, and Layer 7 DDoS attacks.

- SQL/XSS/CSRF blocking
- API security
- Real-time rules

CCTV Centralized Monitoring

Multi-site CCTV surveillance from a single dashboard with smart alerts and mobile access.

- Live multi-site view
- Motion detection alerts
- NVR/DVR + cloud

Cloud Email Hosting

Managed business email with 99.9% uptime SLA and DKIM/SPF/DMARC authentication.

- Enterprise spam filtering
- Email archiving
- Multi-device sync

Cybersecurity Solutions

End-to-end cybersecurity including next-gen firewall, IDS/IPS, pen testing, and SOC services.

- Vulnerability assessment
- Incident response
- Security training
